The Bear and The Shark

Story by: Rickie Rasmussen, Art: McDermott & Donald Tjebkja, Lettering by: Donald Tjebkja

As Pitbull and Die Anna frolic among the bovines...

SUPER ZOOM ENGAGED

From a hidden vantage point...

Thru built-in superzoom lens, Hammerhead watches them!

Overly effective weapon...

DAMN those racers and their overly effective weapons!

This CANNOT be allowed to continue!

SLAP!

I NEED ALL THE COWS!

Those racers must all be STOPPED!

Starting with Ivan and his abomination of a car!

VRRRRRROOOH!

MO!

Meanwhile, at Halfwit Harry
& Burley Shirley's Farmstead

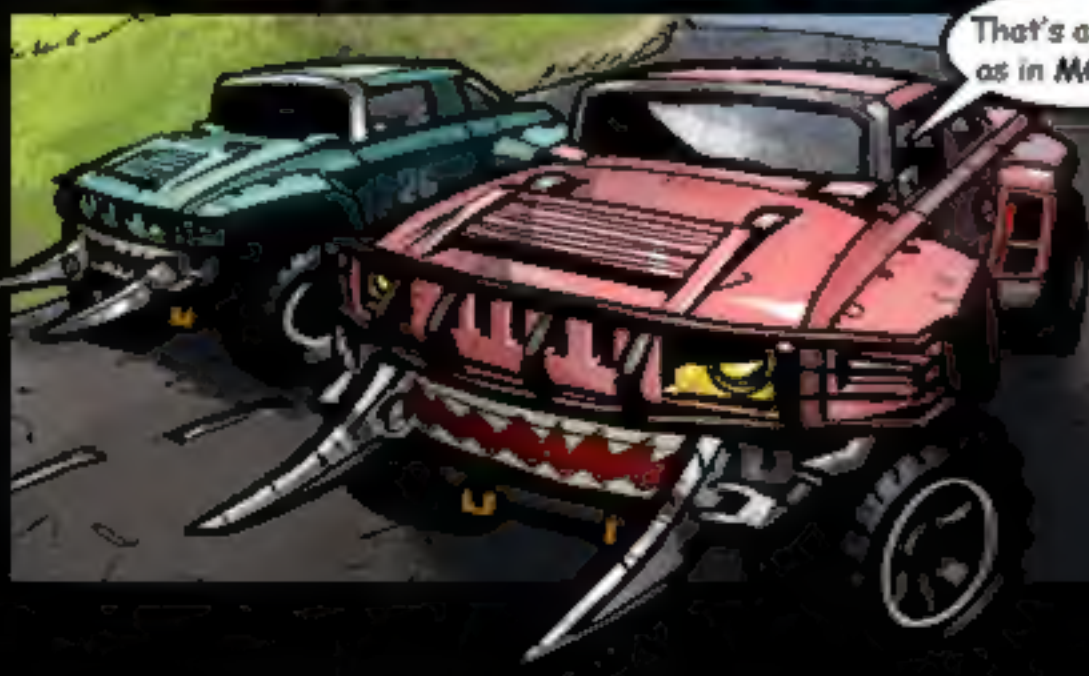

Hey!

HAH! I crush tiny man!

Oh... this Carmageddon racing is...

CLANK!

Droooooo...

This fresh-faced fella has no idea what he's signed up for...

SO EXCITING!

KIAA!

Where he go?

With only two wheels left, Project-X spins helplessly around in circles...

Dammit!

In Russia, Bear baits YOU!

You no "Hammerhead"...

You HAMSTER!

Пиздец, Сука!

From one scene of steaming carnage, we return to another...

Sounds of pure SORE!

...as strange new sounds fill the old chem facility...

MAAAAAAAAAH!!

UCH!

It's
EPIC
UPGRADE
TIME!

Hammerhead's
secret hideout.

A rush of excitement is
the perfect distraction
from his recent defeat.

Yes!
Excellent!

This will
now require... a
MONTAGE!

It is GLORIOUS!

...And glorious it was.

NOT THE END...
